Cis 3500 Homework 2

1. User stories:
   - As a user I need to be able to click a button so that I can get a name of a country to guess the capital city.
   - As a user I need to be able to type my answer in an answer field and submit my answer so that I can get the feedback for my response which can be positive or negative.
2. Swagger hub link
3. Sequence Diagram
